

EUROPEAN OAK

DESCRIPTION

As part of Big River Group's premium, durable, stable flooring solutions, European Oak is a classic timber species offering character and individual richness to complement a range of contemporary finishes. Through a diverse colour palette European Oak highlights and embraces the natural characteristics of solid timber for a truly unique finish.

In addition to the standard product specifications Big River Group is able to customise variations for projects including a grade AB offering, wider planks (220mm, 240mm, 260mm) with varying thickness including 15mm, 19mm and 22mm and a thicker European Oak lamella of 4 or 6 mm. Specific colour matching can also be achieved.

Suitable lead time is required to undertake the process.
