ARMOURFLOOR®

ENGINEERED TIMBER OVERLAY / PREMIUM UNCOATED HARDWOOD

- 100% Australian Made
- 5-Layer Cross-Ply Construction
- AFS or PEFC CoC cerwtified available on request
- Lifetime Structural Warranty

ArmourFloor® is Big River Group's premium uncoated engineered Australian hardwood flooring, manufactured exclusively in Australia. Every board is built from five layers of Australian eucalypt hardwood, with each layer's grain aligned at right-angles to the next - creating extraordinary dimensional stability. Supplied raw and sanded on-site for a traditional timber finish, ArmourFloor® outperforms solid timber in every practical measure.

KEY FEATURES

- **100% Australian** manufactured
- Extreme dimensional stability - no unsightly gaps
- Supplied raw for on-site sanding and coating
- Approved for use over heated sub-floors
- Stable in air-conditioned environments
- Direct stick to concrete - no plywood underlay required
- No on-site acclimatisation required
